Dear Potential Sponsor,

I am participating in the **Run4Another** Run / Walk. All proceeds will help fund surgeries for kids with debilitating conditions. You can sponsor me for any amount by:

- **Cheque** (Made out to **One4Another**)
- **Cash**
- **Online donations** with credit card (www.o4a.ca/donate Indicate who you're sponsoring in the 'notes')

All contributions over \$25 will get a tax receipt if name and address is provided. Thank you!!

Participants: Please bring this form on the day of the run along with the pledge money. Be sure to fill out the form so we can issue tax receipts. If the information is not entered we assume a receipt is not required.

Run4Another – Sat. May 13th, 2017

Pledges:

1. Participants must collect the pledges in advance and bring them on the day of the run.
2. Any **individual** who raises **\$250** or more will get their registration fee waived / reimbursed. Any **family** that raises **\$350** or more will get their registration fee reimbursed.
3. Top fundraisers will be matched with a child so that they can see the difference they've made!
4. **Pledges of support is where most of the money comes from to change kids' lives in Uganda!**

Go for it! Every little bit helps!

How far does the money you raise actually go?

\$50 • all transportation costs for duration of a child's recovery

\$100 • all medical tests • medication • transportation • crutches & braces for a child's rehabilitation

\$250 • cleft palate surgery • club foot correction (infant) • hernia surgery • tumor removal

\$500 • club foot surgery (child) • setting broken bones with casts • knock knees & bow leg correction

\$800 • club foot surgery (teen) • fractures requiring internal fixation • osteomyelitis surgery (bone infection)

\$1000 • double club foot surgery (older child) • complex birth defect surgery (i.e. imperforated anus)

For questions or to volunteer, **contact Glenn Pascoe at gpascoe@one4anotherintl.ca or 519-220-1397**

We look forward to everyone having a great time running so that kids in Uganda can get up and run too!
